Dear Sir,

A Letter of Appreciation

I want to thank you as soon as possible, for your support and for helping with my academy work. I am very happy that I am going to continue my education smoothly, that all with the help of you. Because it would have been a delaying period for me to continue my education due to unavailability of capital, so by you stopping that from happening, I want to thank you once's more thank you very much for your helping hand.

Yours Faithfully
