ABOUT

OUR MISSION & VISION

Educate the Nations exists to increase and improve a child's access to quality education. We support students locally and globally with scholarships to continue their education.

Through our work in Sierra Leone, we provide scholarships to students who are committed to education, yet pose the risk of staying in school due to financial limitations. Through the Grace Life Scholarship Fund, we also provide college scholarships to high school seniors in the Southwest Georgia region.

Our vision is to see each student, who through their education, rise to impact their families, communities, and the world.

Making a Difference in 2022

A MESSAGE FROM OUR CEO/FOUNDER

At Educate the Nations, we believe that all children, no matter their race, gender, or socioeconomic standing deserve a quality education. Through our scholarship program, we have made a difference in students' lives locally and globally.

Thanks to your support, thirty students have received a partial or full scholarship to continue their education. Through your support, we were able to see significant growth in both our Support a Student campaign and Grace Life Life Scholarship Fund.

We look forward to increasing our impact locally and globally in 2023. We couldn't do this work without you. Thanks for your continued partnership in education!

PROVIDING SCHOLARSHIPS TO 2022 HIGH SCHOOL SENIORS

This year we celebrated our 3rd annual, Grace Life Scholarship Fund. The scholarship recipients were graduates of the Class of 2022 from local high schools in the Albany, Georgia metropolitan. For the first time ever, every student who applied received a scholarship! We look forward to increasing our impact in 2023!

This year's recipients were: Caroline Dougherty (Sherwood Christian Academy), Kennedy Larkin (Westover High School), Patrick Williams (Dougherty High School), Savanna Hadley (Westwood Schools), James Trochez (Westover High School), Emily Castleberry (Worth County High School), Aijalon Graper (Westover High School), Domonique Starling (Westover High School), Madison Nicholson (Lee County High School), Mary Daniel (Terrell Academy), Amari Cody (Westover High School), Mikayla Walker (Monroe High School), Angel Ford (Westover High School), Zion Heard (Dougherty High School), Lakisja Morris (Monroe High School), Rori Simmons (Monroe High School), and Amy Diaz (Dougherty High School).

GIVING THE GIFT OF EDUCATION

Educate the Nations continued to impact students globally through our Support a Student program! Each of the 12 recipients is committed to education yet posed the risk of staying in school due to financial limitations. Our scholarships ensured that they could stay in school by fully covering the cost of their education for one school year, including tuition, uniforms, and books.
